

CORPORATE INSIGNIA

As one of the world's largest manufacturers of name badges it gives us a great deal of pleasure to bring to you the latest Corporate Insignia brochure showing a full range of our company's products.

Every year over 8 million personnel in leading companies throughout the world are wearing Corporate Insignia badges.

Respected for the quality of our products and for the standard of service that we offer, we continue to gain new customers including many international brands with multiple locations all over the world. This has been achieved through hard work, an appreciation of our customers ever changing needs and offering the best products using the latest technology.

Whatever your market deliver your message with style and quality the Corporate Insignia way.

JIM KENT, Managing Director

Preparing re-usable badges

1. Print the required name using your labelling machine

2. Ensure the name/title will fit the space on the badge

3. Remove the backing paper and place on the badge

4. Trim the excess tape using the knife provided
Cut straight down for rectangular badge or in an arc for oval badges

5. The badge is now ready to wear.

Products listed in this catalogue and associated materials and supplies are produced under one or more of the following patents: 4047,996; 4125,655; 4267,224; 4384,416; 4459,772; 4520,064; 5305,538; 5398,435; 6173,514; 0532,352 ... other patents pending.

RE-USABLE RANGE

Names are printed onto clear adhesive labels from a suitable Brother labelling machine, which can then be added and removed as required.
See images at foot of opposite page.
Choose a full colour printed logo or opt for an "Elite" 3-D logo representation.
